Over the past fifteen years, Leadership New Mexico has identified and enhanced leadership throughout New Mexico by providing a forum for participants to strengthen their knowledge of challenges and opportunities facing our state. Each year, Leadership New Mexico recognizes outstanding leaders from around the state who have used their leadership abilities to improve the quality of life in New Mexico. The Distinguished Leadership Award recognizes individuals who have used their leadership abilities to improve the quality of life for New Mexico's citizens and future generations. The 2011 Distinguished Leadership Award recipients, Don Maddox and James M. Maddox, have made numerous contributions to Hobbs, southeastern New Mexico, and the state. They are extraordinary examples of dynamic and inspirational leadership and have had a significant impact on critical issues within their community. The Distinguished Alumnus Award recognizes a Leadership New Mexico graduate whose efforts and accomplishments have had a statewide impact. The 2011 Distinguished Alumnus Award recipient, Trudy Healy, is known for her passion, devotion, service, and philanthropic contributions to Taos and the state.
