

# SHAPING NEW MEXICO

## ONE LEADER AT A TIME

### LEADERSHIP NEW MEXICO

Leadership New Mexico launched a new program in 2007, "Connect New Mexico." The curriculum is designed to offer young professionals, ages 25 - 40, the opportunity to develop personal leadership skills, learn how New Mexico systems and structures work and explore the critical issues facing our state. This process offers participants the opportunity to cultivate new ideas and techniques, create lasting relationships with professionals around the state and to develop solutions to some of New Mexico's most pressing issues.
