LEADERSHIP NEW MEXICO

Over the past fifteen years, Leadership New Mexico has identified and enhanced leadership throughout New Mexico by providing a forum for participants to strengthen their knowledge of challenges and opportunities facing our state. Leadership New Mexico participants and alumni are from diverse ethnic, gender, regional and business backgrounds. With a strong focus on diversity, Leadership New Mexico continues to grow and touch all of New Mexico's communities, large and small. There are over 900 participants from 70 communities across the state. Leadership New Mexico graduate Susan Musgrave, Business Development Director for Glacier Technologies, LLC, has made a commitment to change the face of New Mexico.
