

SHAPING NEW MEXICO

ONE LEADER AT A TIME

CONNECT NEW MEXICO

Over the past thirteen years, Leadership New Mexico has identified and enhanced leadership throughout New Mexico by providing a forum for participants to strengthen their knowledge of challenges and opportunities facing our state. Leadership New Mexico participants and alumni are from diverse ethnic, gender, regional and business backgrounds. With a strong focus on diversity, Leadership New Mexico continues to grow and touch all of New Mexico's communities, large and small. There are nearly 700 participants from 59 communities across the state. In 2007, Leadership New Mexico launched the Connect New Mexico program, focused on educating and training young business leaders, ages 25-40. Connect New Mexico participant Tim Thackaberry, Director of Information Technology with New Mexico Mutual, has made a commitment to change the face of New Mexico. It is through leadership and focus like Tim's and companies like New Mexico Mutual that we create a better future for our great state. Leadership New Mexico celebrates the legacy of Shaping New Mexico, One Leader At A Time.
