

LEADERSHIP NEW MEXICO

Become an Alumni Program Member!

THE CONCEPT

Over the past twenty-two years, nearly 1,600 participants from 85 communities have completed one of our leadership programs and actively share their knowledge of the challenges and opportunities facing our state with those they lead.

In September of 2001, Leadership New Mexico launched its Alumni Program to facilitate the growth and education of graduates well beyond their program experience. The Alumni Program offers a forum for ongoing education and interaction for graduates through special member events and tours.

Continue fostering the valuable professional and personal relationships formed in your program. Build deeper insights on critical issues facing our state by hearing diverse regional perspectives. Become an Alumni Program member today!
