

Leadership New Mexico Lifetime Membership

In 2009, Leadership New Mexico created and launched the Lifetime Membership Campaign with alumni and friends of the organization. As part of this campaign, in lieu of paying annual membership dues, a graduate, business, or friend of the organization may elect a lifetime membership by making a donation that entitles him or her to all benefits of membership. Donations made through a lifetime membership are invested in the Leadership New Mexico Endowment Fund.

The goal for these endowment funds is to collectively generate a permanent source of income to offset administrative expenses, which will allow Leadership New Mexico to focus fundraising efforts exclusively on program expenses. The endowment funds will also serve as a financial cushion against lean times, and help ensure that Leadership New Mexico's mission will be sustained in perpetuity. Gifts to Leadership New Mexico's endowment funds are fully tax-deductible.

If you would like to support the endowment fund, you may purchase a Lifetime Membership; make a tax-deductible contribution directly to Leadership New Mexico; and/or contribute through United Way by or Combined Federal Campaign by specifying Leadership New Mexico on your pledge form.
