CORE PROGRAM

Each session features presentations by recognized experts on topics of concern for New Mexico, including health and human services, economic development, education, environment and natural resources, government, and crime and justice. Sessions introduce participants to communities and local leaders across the state that many would not otherwise encounter. The program has an informative leadership skill enhancement component. Participants graduate with new knowledge, insights, and a statewide network to improve New Mexico and its diverse communities and regions.

The curriculum provides local leaders information to explore issues facing New Mexico, offers skill-building workshops, and encourages leaders to turn knowledge into action. The Local Government Leadership Program prepares local officials to undertake their civic responsibility and instill in them a passion for effective and ethical public service.

**CONNECT NEW MEXICO PROGRAM PARTICIPANTS**

**REPORT TO OUR COMMUNITIES**
2007

- The Bill Fulginiti Scholarship Fund, founded by the Healy Foundation, began providing support for Local Government Leadership Program participants.

Dear Leadership New Mexico Supporters,

Thank you for supporting an organization dedicated to making a difference in the quality of life in New Mexico.

For 21 years, Leadership New Mexico has brought together leaders from across the state to expand their knowledge of New Mexico, encouraging them to work together to improve the state’s quality of life. Our programs provide a collaborative learning environment that educates leaders on challenges and opportunities facing New Mexico, provides the opportunity to develop leadership and teamwork skills, and creates a statewide community of informed leaders. The unique quality of information, perspectives, and insights about New Mexico are some of Leadership New Mexico’s greatest assets.

Leadership New Mexico’s programs allow participants to meet and bond with professionals outside of their usual contacts. Through the wide range of personal and professional backgrounds and communities, our graduates have the opportunity to be part of a strong, diverse network of leaders that lasts a lifetime. The resulting relationships include accomplished graduates from all three programs who remain strongly involved and committed to the organization and the state.

During the 2016-2017 year, Leadership New Mexico graduated 91 very talented and engaged business and government leaders from all regions of New Mexico. Leadership New Mexico is proud to have had 1,464 leaders from 84 communities participate in one or more of the programs. These numbers reflect our growth and accomplishments throughout the past 21 years. After graduating, many generously donate their time through board service, committee service, and as speakers. Others provide financial support through personal or corporate gifts, Alumni Memberships, and donations through Lifetime Memberships to the Endowment Fund.

We look back with pride and are humbled to have been a part of Leadership New Mexico’s accomplishments this past year and look forward to many more years of educating New Mexico’s leaders. We are extremely grateful for our dedicated volunteers, sponsors, speakers, and staff who believe in our organization and selflessly share their time and resources to accomplish Leadership New Mexico’s mission.

With your valued support, Leadership New Mexico will continue its mission of developing well informed, thoughtful leaders all across New Mexico, so that they can work toward positive, ethical change in our state.

ENDOWMENT

In 2009, Leadership New Mexico established an endowment to provide a permanent source of income to offset administrative expenses, allowing the organization to focus its fundraising efforts exclusively on program expenses. The endowment also serves as a financial cushion against lean times to ensure that Leadership New Mexico’s mission will be sustained in perpetuity. In lieu of paying annual membership dues, a graduate, business, or friend of the organization may become a Lifetime Member by making a donation that entitles him or her to all benefits of an alumni membership and more. Lifetime Membership donations are invested in the Leadership New Mexico Endowment. Twenty new Lifetime Members joined during 2016-2017 for a total of 188 Lifetime Members since 2009. If you would like to contribute to the endowment fund or purchase a Lifetime Membership, please contact Leadership New Mexico. A Lifetime Membership or contribution is a tax-deductible, charitable donation. Donations to the endowment fund or general donations may also be made through United Way by specifying Leadership New Mexico on the pledge form.
