**CHANGE
OPPORTUNITY
INNOVATION
ACTION**

The more things change, the more we need great leaders.

Leadership New Mexico is dedicated to identifying current and emerging leaders and inspiring them to dream, learn, accomplish, and attain more in order to address the social and economic issues in the state and enhance the quality of life in New Mexico.

The unique challenges of 2020 have demonstrated the importance of having leaders navigating through tough times. Since 1996, Leadership New Mexico has helped nearly 1,800 leaders in different roles throughout the state by providing them with the knowledge and tools they need to make an impact on the future of the state.

LEADERSHIP

Twenty-four years ago, Leadership New Mexico was established with the vision of bringing leaders from around New Mexico together to expand their knowledge about critical issues in our state. With 2020 experiencing so much change, now more than ever Leadership New Mexico sees a huge opportunity and need for informed leaders to generate a positive impact on our state's future.

CORE PROGRAM

The Core Program provides established leaders from all parts of New Mexico an in-depth, non-partisan educational experience not available anywhere else in the state. Each session features presentations by recognized experts on topics of concern for New Mexico including health and human services, economic development, education, environment and natural resources, government, crime and justice, and leadership. Sessions introduce participants to communities and local leaders across the state that many would not otherwise encounter. Participants graduate with new knowledge, insights, and a statewide network to improve New Mexico and its diverse communities and regions.

LOCAL GOVERNMENT LEADERSHIP PROGRAM

The Local Government Leadership Program is an educational partnership between the New Mexico Municipal League, New Mexico Counties, the New Mexico School Board Association, and Leadership New Mexico. The organizations have joined together to provide a unique experience for municipal and county officials, New Mexico school board members, members of the New Mexico National Guard, and Regional Councils of Governments. The curriculum provides local leaders with an opportunity to explore issues facing New Mexico, attend skill-building workshops, and offers encouragement to turn knowledge into action. The Local Government Leadership Program prepares local officials to undertake their civic responsibility with a passion for effective and ethical public service.

CONNECT NEW MEXICO “THE NEXT GENERATION OF LEADERSHIP”

Connect New Mexico “The Next Generation of Leadership” is an educational program for 25 to 40-year-old professionals from around the state. Connect New Mexico allows participants to develop leadership skills, learn how New Mexico’s systems and structures work, and explore issues facing the state. The program provides participants with the knowledge and skills to become effective leaders in their communities and the state. The program creates a bond between young professionals, the communities they live in, and the State of New Mexico to promote well-informed, positive change.

ALUMNI PROGRAM

The Alumni Program continues the Leadership New Mexico experience long after the initial program experience has ended. Through engaging tours and unique members-only events, graduates from all three programs continue to be exposed to a diversity of experiences and regional perspectives that foster professional and personal relationships, promote community and business development, and advance statewide progress.

INSPIRE

Leadership New Mexico has established itself as the preeminent educational organization for business, community, government, and non-profit leaders to learn about our great state. Participants complete one or more of our leadership programs and actively share with others their knowledge of the challenges and opportunities facing New Mexico.

**THE VALUE OF THE NETWORK CONTINUES TO BE
LEADERSHIP NEW MEXICO'S GREATEST STRENGTH**

The year 2020 will long be remembered in Leadership New Mexico's history. Twenty-four years ago, when Leadership New Mexico's founders first brought together leaders from across the state, they could have never imagined the challenges a global pandemic would bring. The organization's goals are to expand local leaders' knowledge of New Mexico, encouraging them to work together to improve the state's quality of life. Our programs continue to provide a collaborative learning environment that educates leaders on the challenges and opportunities facing New Mexico, provides the opportunity to develop leadership and teamwork skills, and creates a statewide community of informed leaders. Although the year did not go as planned, the unique quality of information, perspectives, and insights about New Mexico continue to be some of Leadership New Mexico's greatest assets.

Since the first program was launched in 1996, we are proud to have more than 1,770 graduates from the Core, Local Government Leadership, and Connect New Mexico programs from 88 communities throughout all regions of New Mexico who have explored New Mexico's most pressing issues. In addition, the personal and professional relationships fostered in program sessions lay the groundwork for lasting partnerships, friendships and collaborations across communities and industries statewide. Many donate their time to the organization through board service, committees, and as program speakers. Others continue their participation

and engagement through alumni membership. In particular, we are humbled by the 272 Lifetime Members who have contributed to the Endowment Fund, which enables us to sustain our mission in perpetuity.

Possibly now more than ever before, the value of the network continues to be Leadership New Mexico's greatest strength. Though we were not able to meet in person for half of the year, many in the network joined together virtually for social interaction, class sessions and education programs. We look back with pride and are honored to have been a part of Leadership New Mexico's accomplishments this year and look forward to many more years of educating New Mexico's leaders.

Our dedicated volunteers, speakers, sponsors, and staff work tirelessly to help accomplish Leadership New Mexico's mission and share the collective belief that New Mexico's future prosperity is dependent upon the quality and contributions of leadership. With your valued support, Leadership New Mexico will continue its mission of developing knowledgeable, thoughtful leaders all across New Mexico, so that they can work toward positive, ethical change in our state.

Throughout the challenges of the past year, we have continued to see the support of our network and the value in our relationships. Thank you for your support and dedication to improving the lives of New Mexicans one leader at a time.

Steve Griego
Core Class of 2010 and Lifetime Member
Past Chairman of the Board, Leadership New Mexico
President and Chief Executive Officer, DMC Logistics

Patty Komko
Lifetime Member
Co-Founder and President
Leadership New Mexico

1995 Leadership New Mexico was founded to educate leaders across the state.

2007 The Bill Fulginiti Scholarship Fund, funded by the Healy Foundation, began providing support for Local Government Leadership Program participants.

1996 The Core Program was established to provide a unique educational and inspirational experience.

2008 The Connect New Mexico Program “The Next Generation of Leadership” was created to inform and inspire young leaders.

2001 The Alumni Program was launched to continue providing education and networking opportunities to all graduates.

2009 The Endowment Fund was established to ensure the future of the organization, its programs, and services.

2001 Leadership New Mexico honored the first Distinguished Leadership and Distinguished Alumnus Award recipients.

2020

- The Core Program began its 24th class.
- The Connect New Mexico Program “The Next Generation of Leadership” began its 13th class.
- The Local Government Leadership Program began its 18th class.
- 29 graduates and friends of the organization became Lifetime Members (for a total of 272), which supports Leadership New Mexico’s Endowment.

2004 The Local Government Leadership Program was created to educate local government officials.

ENDOWMENT

In 2009, Leadership New Mexico established an Endowment to provide a permanent source of income to offset administrative expenses, allowing the organization to focus its fundraising efforts exclusively on program expenses. The Endowment also serves as a financial cushion against lean times to ensure that Leadership New Mexico's mission will be sustained in perpetuity. In lieu of paying annual membership dues, a graduate, business, or friend of the organization may become a Lifetime Member by making a donation that entitles them to all benefits of an alumni program membership and more. Lifetime Membership donations are invested in the Leadership New Mexico Endowment. Twenty-nine new Lifetime Members joined during 2019-2020 for a total of 272 Lifetime Members since 2009.

If you would like to contribute to the Endowment or become a Lifetime Member, please contact Leadership New Mexico. A Lifetime Membership contribution is a tax-deductible, charitable donation. Donations to the Endowment or general donations may also be made through United Way by specifying Leadership New Mexico on the pledge form.
