## Become an Alumni Program Member!

### THE CONCEPT

Over the past twenty-three years, more than 1,750 participants from 87 communities have completed one of our leadership programs and actively share their knowledge of the challenges and opportunities facing our state with those they lead.

In September of 2001, Leadership New Mexico launched its Alumni Program to facilitate the growth and education of graduates well beyond their program experience. The Alumni Program offers a forum for ongoing education and interaction for graduates through special member events and tours.

Continue fostering the valuable professional and personal relationships formed in your program. Build deeper insights on critical issues facing our state by hearing diverse regional perspectives. Become an Alumni Program member today!

# LEADERSHIP NEW MEXICO

## Become a Lifetime Member!

### THE CONCEPT

In 2009, Leadership New Mexico established an endowment fund whose purpose is to sustain the organization's mission into the future. The steady income provided by an endowment helps to offset administrative expenses and can serve as a financial cushion against lean times. Leadership New Mexico's endowment allows the organization to focus more of its energy on fundraising for and delivering high-quality educational programs.

Lifetime Membership dues are invested in the Leadership New Mexico Endowment, which help sustain the organization into the future. In lieu of paying dues annually, become a Lifetime Member by making a one-time gift that comes with all the benefits of an Alumni membership and more! Gifts to Leadership New Mexico's endowment fund are fully tax-deductible.
