

SHAPING NEW MEXICO ONE LEADER AT A TIME.

Over the past twenty-five years, Leadership New Mexico has identified and enhanced leaders throughout New Mexico by providing a forum for participants to strengthen their knowledge of challenges and opportunities facing our state. Leadership New Mexico participants and alumni are from diverse ethnic, gender, regional and business backgrounds and continue to grow and touch all of New Mexico's communities, large and small. There have been more than 1,700 participants from 88 communities across the state. Leadership New Mexico celebrates the legacy of "Shaping New Mexico, One Leader At A Time." It is through program graduates like Dale and organizations like TLC Plumbing & Utility that we create a better future for our great state.

TLC Plumbing & Utility isn't just a plumbing company, we are a people company. Removing roadblocks for employees and empowering them in their responsibilities has helped TLC grow over the last 34 years. Constant growth has allowed us to offer more services and take care of our customers like they are our family.
