CONNECTION

The more things change,
the more we need great leaders.

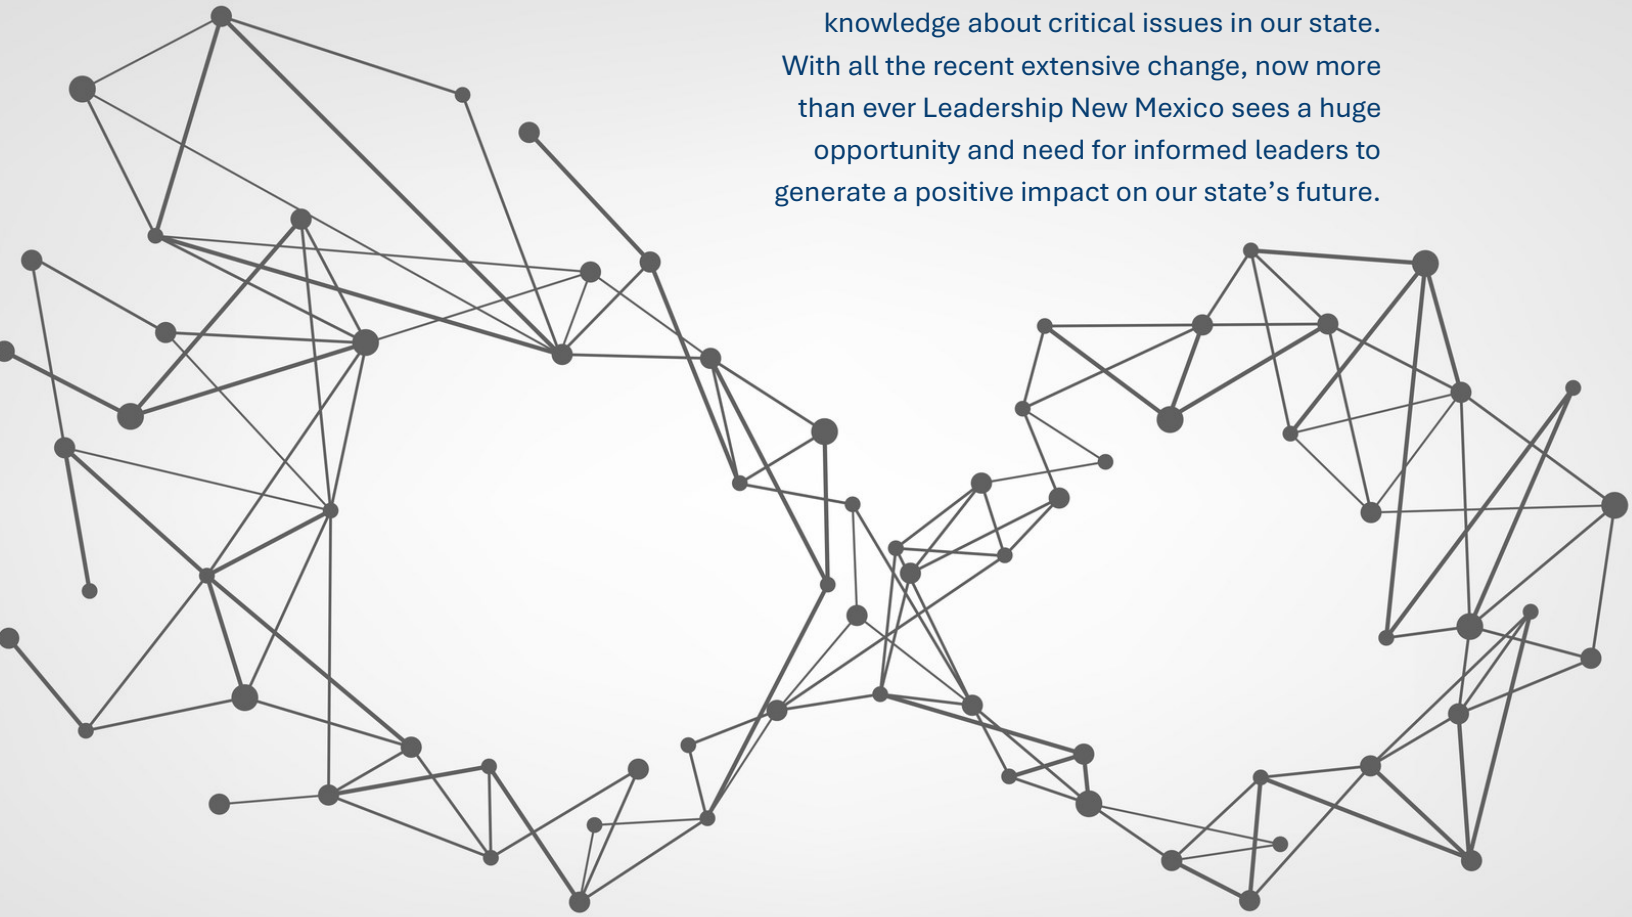

Leadership New Mexico is dedicated to identifying current and emerging leaders and inspiring them to dream, learn, accomplish, and attain more in order to address the social and economic issues in the state and enhance the quality of life in New Mexico.

The unique challenges of the recent past have demonstrated the importance of having leaders navigating through tough times.

Since 1996, Leadership New Mexico has helped over 2,082 leaders in different roles throughout the state by providing them with the knowledge and tools they need to make an impact on the future of the state.

LEADERSHIP

Twenty-nine years ago, Leadership New Mexico was established with the vision of bringing leaders from around New Mexico together to expand their knowledge about critical issues in our state. With all the recent extensive change, now more than ever Leadership New Mexico sees a huge opportunity and need for informed leaders to generate a positive impact on our state's future.

LEADERSHIP PROGRAMS 2024

CORE PROGRAM

The Core Program provides established leaders from all parts of New Mexico an in-depth, non-partisan educational experience not available anywhere else in the state. Each session features presentations by recognized experts on topics of concern for New Mexico including health and human services, economic development, education, environment and natural resources, government, crime and justice, and leadership. Sessions introduce participants to communities and local leaders across the state that many would not otherwise encounter. Participants graduate with new knowledge, insights, and a statewide network to improve New Mexico and its diverse communities and regions.

LOCAL GOVERNMENT LEADERSHIP PROGRAM

The Local Government Leadership Program is an educational partnership between the New Mexico Municipal League, New Mexico Counties, the New Mexico School Board Association, and Leadership New Mexico. The organizations have joined together to provide a unique experience for municipal and county officials, New Mexico school board members, members of the New Mexico National Guard, and Regional Councils of Governments. The curriculum provides local leaders with an opportunity to explore issues facing New Mexico, attend skill-building workshops, and offers encouragement to turn knowledge into action. The Local Government Leadership Program prepares local officials to undertake their civic responsibility with a passion for effective and ethical public service.

CONNECT NEW MEXICO “THE NEXT GENERATION OF LEADERSHIP”

Connect New Mexico “The Next Generation of Leadership” is an educational program for 25 to 40-year-old professionals from around the state. Connect New Mexico allows participants to develop leadership skills, learn how New Mexico’s systems and structures work, and explore issues facing the state. The program provides participants with the knowledge and skills to become effective leaders in their communities and the state. The program creates a bond between young professionals, the communities they live in, and the State of New Mexico to promote well-informed, positive change.

ALUMNI PROGRAM

The Alumni Program continues the Leadership New Mexico experience long after the initial program experience has ended. Through engaging tours and unique members-only events, graduates from all three programs continue to be exposed to a diversity of experiences and regional perspectives that foster professional and personal relationships, promote community and business development, and advance statewide progress.

INSPIRE

Leadership New Mexico has established itself as the preeminent educational organization for business, community, government, and non-profit leaders to learn about our great state. Participants complete one or more of our leadership programs and actively share with others their knowledge of the challenges and opportunities facing New Mexico.

LETTER TO MEMBERS 2024

Dear Leadership New Mexico Members,

I am honored to connect with you as we embark on another exciting year of growth, learning, and impact. Leadership New Mexico has always been about fostering strong, knowledgeable, and ethical leaders who are dedicated to shaping a brighter future for our state. Thanks to your unwavering support, our network continues to expand, our programs continue to evolve, and our collective impact continues to strengthen communities across New Mexico.

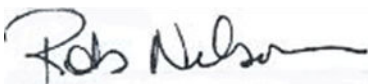

Since its inception in 1996, Leadership New Mexico has cultivated a dynamic network of over 2,082 graduates from across 92 communities. Through our Core, Local Government Leadership, and Connect New Mexico programs, we have empowered leaders with the insights, tools, and relationships needed to tackle the most pressing challenges facing our state. As we look ahead, we are committed to growing our reach and deepening our impact—ensuring that more leaders than ever before have access to transformative learning experiences.

Our mission is made possible by the dedication of our volunteers, speakers, sponsors, and staff who work tirelessly to create meaningful learning opportunities. The relationships built through our programs lay the foundation for lasting collaborations that drive progress in business, government, education, and beyond. The strength of our alumni network is unparalleled, and we are especially grateful to our 374 Lifetime Members whose contributions to the Endowment Fund ensure the sustainability of our mission for years to come.

Today, more than ever, New Mexico needs innovative and passionate leaders who are prepared to drive ethical and positive change. Leadership New Mexico remains committed to fostering these leaders by providing a collaborative space where ideas flourish, perspectives are challenged, and action is inspired. Whether through in-person sessions, virtual engagements, or community initiatives, we are continuously adapting to meet the needs of an ever-changing world while staying true to our core mission.

As we step into the future, we do so with immense gratitude for each of you. Your commitment to leadership, service, and growth fuels our shared vision of a stronger, more connected New Mexico. Thank you for being a part of this journey and for making a lasting impact in your communities and beyond.

Together, we lead. Together, we grow. Together, we shape the future of New Mexico.

ENDOWMENT

In 2009, Leadership New Mexico established an Endowment to provide a permanent source of income to offset administrative expenses, allowing the organization to focus its fundraising efforts exclusively on program expenses. The Endowment also serves as a financial cushion against lean times to ensure that Leadership New Mexico's mission will be sustained in perpetuity. In lieu of paying annual membership dues, a graduate, business, or friend of the organization may become a Lifetime Member by making a donation that entitles them to all benefits of an alumni program membership and more. Lifetime Membership donations are invested in the Leadership New Mexico Endowment. Thirty-eight new lifetime Members joined during 2023-2024 for a total of 350 Lifetime Members since 2009.

If you would like to contribute to the Endowment or become a Lifetime Member, please contact Leadership New Mexico. A Lifetime Membership contribution is a tax-deductible, charitable donation. Donations to the Endowment or general donations may also be made through United Way by specifying Leadership New Mexico on the pledge form.
